### **NAVIGATE BY THE STARS PRIMER**

from [www.quietbay.com](http://www.quietbay.com)

Next time you're camping out you can have fun star gazing at night. More important, you can identify planets, stars, constellations and how to navigate at night. Try this interesting, interactive course. Average time 15 minutes.

### **CHAPLAINS CORNER**

By Chaplain Lt Col TOM MILLER

As the saying in flying goes "Climb, Communicate, Comply!" So it should be in life's struggles; Climb (make heaven's portal your ultimate goal), Communicate (pray regularly for your needs and those of others), and Comply (listen to what a righteous Heavenly Father directs for a successful lifelong flight).
